PRINCESS MONONOKE

Dear Digital Cinema Managers and Projection Staff:

Digital Cinema Distribution Coalition (DCDC) has been contracted by "Fathom" to distribute *Princess Mononoke* for theatrical release. Please see the attached Digital Cinema Distribution Information sheet. On average, it could take up to 24 hours to replace any faulty hard drive/satellite failure, so we ask you to ingest the contents as soon as possible and schedule a quality check screening after the keys unlock the feature. **If you encounter any issues, please call our 24/7 Helpline at 877-272-3870**

LMS LOCATIONS: Use a "Walk-in Offset" of 30 minutes to ensure the walk-in file starts playback 30 minutes before the ticketed show time.

SONY TMS LOCATIONS: Place the "Performance Start" trigger between the walk-in and preshow files.

DOREMI TMS LOCATIONS: Place "Ad Start" macro before the walk-in file and "Ad End" macro after the walk-in file, before the preshow file. Cinemark locations - refer to NCM 3D Advertising playlist instructions provided by Cinemark Support Center.

NOTE: *THEATRE LIGHTS TO TURN OFF IMMEDIATELY AFTER PRE-SHOW CONTENT ENDS*****

Drive Return Information

Your hard drive package was shipped to your theatre using the EZ Return shipping label system. When you are ready to return this package, please remove the top shipping label to expose the return shipping label. This can be done by peeling away the zip strip labeled Technicolor EZ Return located at the bottom of the shipping label. The package can then be placed in the UPS pickup area for return. We will not contact you regarding any hard drives that have not returned to us until 2-weeks after the end play date of the content key.

Please visit digitalcinema.bydeluxe.com or call 1-800-993-4567 for additional information.
